Incorrect Logotype Usage

It is important to maintain brand consistency by following these usage rules.

DO NOT STRETCH LOGO - RESIZE PROPORTIONALLY

RANGLE.IO

NO OBSTRUCTING ELEMENTS

RANGLE.IO

DO NOT PLACE ON ANY ANGLE

RANGLE.IO

NO BUSY BACKGROUNDS

RANGLE.IO

Logotype Clearspace

It is important to keep appropriate white space around the logo to allow for legibility and to avoid obstruction. The white space (x) is determined by the cap-height of the 'O' in the Rangle.io Logotype.

Minimum Size

The logotype should not be smaller than 1 inch for print and 100 pixels for web.

1.5 "

RANGLE.IO

150 px
